Additional Pathways

The Health Care sector is Australia's largest employing industry and is projected to grow by approximately 15% over the next five years.

Job Prospects for this qualification may include:

> Aged Care Worker
> Community Care Worker
> Residential Support Worker
> Assistant in Nursing
> In-home Respite Care Worker
> Personal Care Giver and Support Worker

Recognition of Prior Learning and Credit Transfer

Recognition of prior learning (RPL) is a process that assesses a student's competency – acquired through formal and informal learning – to determine if students meet the requirements for a unit of study. Students with previous skills, knowledge or experience are entitled to apply for RPL for a full qualification or individual units of competency. Students will be required to produce evidence and undertake assessment as part of the RPL process.

If students have previously completed a unit/s of competency and can provide valid evidence of AQF certification (issued by an RTO), they are eligible to apply for a credit transfer and would not be required to undertake further study for the unit.

AQF Certification Outcome

Students who successfully complete one or more units will be issued with a Statement of Attainment for these unit(s). These competencies from CHC Community Services Training Package meet industry requirements for work in providing person-centred support in various care and support roles within home and community settings.

Unique Student Identifier

It is mandatory for all students undertaking Nationally Recognised Training in Australia to have a Unique Student Identifier (USI).

Students will need their USI to apply to enrol for training.

Visit www.usi.gov.au for more information.
